THE ANA

BRINGING IT ALL INTO FOCUS

Nothing can bring your collection into focus like the annual **AMERICAN NUMISMATIC ASSOCIATION CONVENTION** Auction Sale.

This always-anticipated sale has become a tradition—growing in popularity yearly as a hallmark of quality—as the "**prestige sale**" through which to dispose of one's collection.

This year PARAMOUNT will be conducting its eighth ANA Auction Sale at New Orleans, August 15th through the 19th. These past sales are a matter of record. They have proven over and over again that letting us handle your material at auction is the most successful and personally satisfying method of coin disposition.

There is no greater exposure to the buying public when you consider that your coins, accurately described and illustrated in a quality catalog worthy of the occasion, goes out to thousands of active collectors. Furthermore, your coins are displayed right there at the Convention for all to see prior to the sale itself.

When you sit back and evaluate the advantages and successes of past ANA-affiliated sales, how can you lose? But let us remind you of one thing: The ANA Sale is a very popular sale and one that is traditionally over-consigned; so if you're interested in selling your coins, let's talk it over now, either by mail or you can call us collect. We can then reserve space for you in the catalog. You'll never find a better time or place to do it.

Let PARAMOUNT and the ANA bring it all into focus for you.

MAIL BID SALE

Terms Of Sale

THIS IS A MAIL BID AUCTION SALE — All material is sold to the highest bidder. All bids are entered in the order received; in the event of duplicate bids, the Lot is awarded to the first bid received. PLEASE FILL IN COMPLETELY ALL INFORMATION REQUESTED ON THE BID SHEET.

*Bids must be submitted for the entire Lot. Partial Lots will not be sold.

*Bids will not be accepted from minors.

*Title to all auction lots remains with Paramount until paid in full.

GUARANTEE — All material offered is guaranteed genuine and as described in the catalog unless otherwise stated. AUCTION SALES ARE NOT APPROVAL SALES! Any claim or error must be made within three days after receipt of material. Lots may not be returned without permission.

VALUATION — To assist bidders, we have indicated an estimated value on most Lots based on "Trends," reference books (catalogs), and recent auction records. This is merely an estimate and in no way is meant to be indicative of the price the Lot will actually realize as higher or lower prices may prevail.

PAYMENT — The terms of this sale are strictly CASH and payment is to be made immediatley on receipt of either material and/or invoice. Remember, Auction Sales are NOT Approval Sales! Lots shipped from our offices are subject to 4½% Sales Tax chargeable to Ohio residents. Postage and insurance will be added to your invoice.

MAIL BIDDERS — No "Buy" or "Unlimited" bids will be accepted. We act as your agent and will purchase for you as much below your bid as the next highest bid will permit. No commission is charged for handling your bids. We reserve the right to refuse ridiculously low bids. PLEASE check and recheck your Bid Sheet as we cannot assume responsibility for errors in either the amount bid or the Lot number entered on your Bid Sheet.

REFERENCES AND DEPOSITS — If a bidder has not established credit with our firm in the total amount of his bids, then complete and satisfactory credit references must be furnished, and a 25% deposit of the total amount of bids will be required in order that such bids may be executed. Deposits will be applied to the purchase price and any unused portion of deposit will be refunded immediately after the Sale. PAYMENT WILL BE REQUIRED IN ADVANCE OF DELIVERY OF LOTS WHEN THE TOTAL EXCEEDS THE AMOUNT OF PREVIOUSLY ESTABLISHED CREDIT.

YOUR BID SHEET MUST BE SIGNED

QUANTITATIVE GRADING

You will notice as you leaf through this catalog that we are now using the QUANTITATIVE GRADING method of describing most of the Lots in this Sale. This is to help you, the bidder, to know more precisely the condition of a coin. It works like this: If a consigned coin just meets the minimum requirements to qualify, for example, Very Fine by Brown & Dunn standards, that coin will be listed as VF-20. If the coin is better than minimum, it would then be listed as VF-25. If it is what normally would be listed as Very Fine to Extremely Fine, the coin would be designated as VF-30.

The following numbering system is employed in this scale:

Very Fair.....	3	Very Fine.....	20–30
Good.....	4–6	Ext. Fine.....	40–45
Very Good.....	8–10	About Unc.....	50–55
Fine.....	12–15	Uncirculated.....	60–70

We believe this Grading System will prove beneficial to you. Your reaction and comments on this would be appreciated.

INSTRUCTIONS TO MAIL BIDDERS

If you have never before bid by mail, you may feel somewhat at a loss in submitting a mail bid for an auction sale. Basically, however, the procedure is quite simple. You will notice on the enclosed Bid Sheet a place for entering the Lot Number as well as the amount you wish to bid (It is not necessary to describe the lot on which you are bidding). After carefully reading the description of the Lot in question, simply write down the Lot number and the maximum amount you are willing to pay in the appropriate columns. For example, let's assume you are interested in bidding on Lot No. 193. Determine the maximum price you will pay for this Lot and enter this amount on the Bid Sheet as follows:

NO.	BID
193	95 00

You will note we have used the term "maximum amount" above. The bid which you enter is the "maximum amount" or top price you will pay for a Lot. However, there's always the chance you may obtain the Lot for less! As indicated in our "Terms of Sale," we act as your agent and execute your bids as if you were there in person at the Sale. We will buy the Lot for you as cheaply as possible over the next highest bid. In other words, if your bid, for example, is $95.00 on Lot No. 193, and the next highest bid, whether by mail or floor, is only $75.00, the Lot would be awarded to you at $80.00, or a nominal 5% to 10% increase over the next highest bid.

Before entering your bids, please read very carefully our "TERMS OF SALE." And if you have any questions regarding bidding or regarding the Sale itself, drop us a line and we will reply at once. Bidding by mail permits the individual to participate in the auction sale just as though he were able to attend the Sale in person. Many bargains are obtained through the medium of auction sales, and it can be a very exciting as well as rewarding method of obtaining needed items for your collection. We look forward to your participation in this, as well as future, Sales.

In this catalog we are using Trends as the basis for valuations on the United States material. Trends valuations tend to be much more current and realistic than other publications issued on a less-frequent basis. And these estimates should generally reflect the price a piece is currently bringing on the retail market.

The valuations in this auction catalog, with more nearly accurate reflections of the current market, should be an excellent aid to the bidder in submitting his bids.
